PRESIDENT'S CORNER

Dear SMSHE Membership:

It has been another fantastic year for SMSHE. The Educational meetings have been stellar and our events, including the Vegas Casino Night in January and the Golf Outing in August, have been second to none. We also worked with MISHE to bring in CHFM training and testing for those in Facilities that are looking to further their credentials. I can't thank our Board of Directors and volunteers enough for putting in the time and effort necessary to bring all these events together time and time again.

We're in the process of putting our 2017 schedule together and it looks promising. Our Educational Meetings will continue in February, followed in March by the 50th Annual Health Facilities Planning Seminar, presented by AIA Michigan and the State of Michigan Department of Licensing and Regulatory Affairs (LARA). This year's event will take place March 30-31 and will, once again, be in Grand Rapids. The seminar will be preceded by the Annual SMSHE Schmooze on Wednesday, March 29, most likely at the B.O.B.

As the year progresses, we'll be bringing in local and national speakers with varying backgrounds to discuss different aspects of codes and compliance. On June 14, 2017, we will be hosting a full day symposium at the Detroit Medical Center. Details will follow, but for now, Save the Date!

Our Annual Golf Outing will be on Friday, August 4, 2017. Keep an eye on your Inbox for more details as we get closer. The 2016 Golf Outing was a huge success, selling all 216 spots, and we're anticipating another sellout for the 2017 outing as well.

Hot on the heels of our Golf Outing comes the ASHE Annual Conference and Technical Exhibition, which will be held in August this year (August 6 – 9, 2017) in Indianapolis. We expect to have quite a few SMSHE members attending and hope you can join us there!

At this point, I have to say something about the Penrickton Center for Blind Children, which has been our charity of choice for the last few years. If you're not aware, Penrickton Center is a private, non-profit five day residential and day care agency that serves blind, multi-disabled children ages one through twelve. They are located in Taylor, MI.

Wed, Dec 6, 2017

SMSHE Holiday Luncheon + Annual Business Meeting
Glen Oaks / Farmington Hills, MI

WHAT IS THE PDC SUMMIT?

The PDC Summit is a dynamic industry event coordinated by a trusted network of not-for-profit organizations with expertise in health care planning, design, and construction. **100% of all conference revenue is reinvested into the mission of optimizing the health care physical environment.** More than 3,200 senior leaders from hospitals, design firms, and construction companies attend the PDC Summit to share perspectives on optimizing healing environments. This is the one conference with an integrated audience of C-level, design, construction, and operations professionals with more than two-thirds of attendees returning to the event each year.

PDC Summit programming offers cutting-edge topics affecting the future of the health care built environment and presents thought-provoking research and presentations focusing on cross-team collaboration, PDC sustainability, designing for future generations, technology integration, and more.

Plan to attend the PDC Summit to network with top industry professionals in the field and get the information you need to maximize value in the health care built environment.

“President’s Message” – continued

The great work they do at Penrickton can only be understood by taking a tour of the facility, which they (and I) strongly encourage. It’s obvious after a few minutes in the building that the people working there are a special breed. Janet Ames, who has joined us (and helped us considerably) at our Golf Outing and Holiday Luncheon, has helped us so much to understand what it takes to make it happen behind the scenes. If you do decide to take a tour, I promise you will not walk out the same as you walked in.

On that note, I will leave you with wishes for a fantastic holiday season. May you and your family enjoy the warmth and love this time of year brings. Until next time...

Terry Childers
SMSHE President

Are you a SMSHE Member?

If not, why not?

SMSHE membership is free to all ASHE members. All you have to do is give us your ASHE Membership Number and Expiration Date. The membership form is on the last page of this newsletter.

And, what’s more, if you’re a SMSHE Member, you can attend our Holiday Luncheon and Annual Business Meeting for free as well (see below).

SMSHE offers great opportunities for education and networking. Join us, won’t you?

To learn more about SMSHE, please visit our website at www.smshehealthcare.org.

SMSHE MEMBERSHIP APPLICATION

Thank you for your interest in joining the Southeastern Michigan Society for Healthcare Engineering (SMSHE). Membership is free to all members of the American Society for Healthcare Engineering (ASHE), the national organization of which we are an Affiliated Chapter.

FOUR EASY STEPS TO JOIN OR RENEW YOUR ASHE / SMSHE MEMBERSHIP

1. Go to http://www.ashe.org/ASHE_membership/join.shtml and click on the appropriate link to join or renew your ASHE membership. Fill out the online form and complete the payment information.
2. Forward your ASHE confirmation email to smshehealthcare@gmail.com.
3. When you get your ASHE Membership Number and Expiration Date, complete the attached SMSHE Membership form and submit to smshehealthcare@gmail.com.
4. We will process your free SMSHE membership and send you a confirmation email.

IMPORTANT NOTES

- As an ASHE Member, there is no charge for your SMSHE membership, but we still need the completed form to be submitted for your SMSHE membership to be active.
- Your SMSHE Membership Expiration Date is the same as your ASHE Expiration Date.

Southeastern Michigan Society for Healthcare Engineering
34400 Glendale Ave
Livonia, MI 48150
