PRESIDENT'S CORNER

Dear SMSHE Membership:

It was great to see so many familiar faces at the Vegas Casino Night in January and the SMSHE Schmooze at AIA this past week! These events are great for expanding your professional network, honing your card shark skills, and having some fun. If you missed them be sure to join us next year, it'll be here before you know it!

I'm looking forward to a promising year. With many changes and new additions to the board this year we've been busy brain storming new ideas to bring more value to our membership. We'd love to hear from you if you have any ideas as well. We're looking forward to another busy year especially with the weather starting to turn to warmer and longer days.

We have many upcoming events that promote networking, continuous learning and fun. Be sure to join us at the SMSHE Symposium on Wednesday, April 10th and the CHFM Prep Course on Saturday, April 20th. It's a hectic April! Be sure to keep an eye out for invitations to our monthly educational meetings as well at ESD.

Can you believe it's almost that time of year?! No, not Christmas, even better.... GOLF SEASON! That's right! Save the date for your favorite outing of the season, Friday, August 2nd. This year marks our 24th Annual SMSHE Golf Outing. Of course, the golf outing planning is in full swing and will once again be at the Links of Novi.

Jeff Kleimola

SMSHE President

SMSHE Member Spotlight: Man on the Move!

One of SMSHE's members and past President, Timothy Rowlett, has been chosen to sit on the prestigious Customer Advisory Board for The Joint Commission. Congratulations to Tim!

As a Customer Advisory Board member, he will serve a one-year term, that began March 1st. As one of 12 members representing the Joint Commission, Tim will be responsible for suggesting article ideas, solutions, and case studies, and providing feedback.

Timothy Rowlett, CHFM is the Site Director of Facilities Management and Hospital Safety Officer Beaumont Health, Troy

Call for Presentations

We are constantly looking for fresh material for presentations at our monthly educational meetings. If you have a presentation that is code or compliance related, or if you have developed proven best practices that push the leading edge of the profession, we want to hear from you! Presentations should be roughly 45-60 minutes long and must be generic as far as branding (NO COMMERCIALS!).

Contact Jon Balsamo at balsamo@pmenv.com or

David Rott at david.rott@amistee.com

for more information.
