## President's Corner

Dear SMSHE Members,

I hope your everyone is doing well. I would like to provide a couple of updates with the events happening within our engineering society. First, thanks to our Events Team for setting up our Health Care Symposium in May which had great conversations from all who attended.

Open Positions - We are also actively looking to fill two open Board positions by professional members, Secretary and Bylaws Chair. If anyone would like to join or have a recommendation, please contact me. We look forward to meeting with all applicants. Please reach out to any of the board members if you have any questions.

Our next event for this year is this Friday, July 19<sup>th</sup> ! It will be our annual golf outing at Links of Novi. I look forward to a seeing everyone out there enjoying themselves and networking with our fellow members and vendors. We still have a few spots open for Sponsorship left:

We have been a little behind getting our CEU's sent out. We apologize for the delay and thank you for your patience.

Again, thank you very much. The SMSHE Board wants to wish everyone a safe and fun summer!

Your SMSHE President,  
Daniel Martino  
Corewell Health

## Call for Presentations

We are constantly looking for fresh material for presentations at our monthly educational meetings. If you have a code/compliance related presentation or you have developed proven best practices that push the leading edge of the profession, we want to hear from you! Presentations should be roughly 45-60 minutes long and must be generic as far as branding (NO COMMERCIALS!).

Contact [Liz Lyon](#) for more information.

## Supporting SMSHE!

The SMSHE board needs your help! We're constantly looking for ways to improve the experience for our members, provide more meaningful content, and help our membership grow and develop in their career tracks.

We have several openings available to help the organization grow and serve better, reach out to us to get involved or for further information.

Interested in the position or learning more? Contact [Daniel Martino!](#)
