Healthcare Facilities & Engineering News

President's Corner

Dear SMSHE Members,

I hope everyone is doing well. I would like to provide a couple of updates with the events happenings within our engineering society. First, I would like to thank Dino Marra and the golf committee for putting on such a successful outing. A huge thanks to all the vendors that donated prizes. Everyone does an amazing job supporting the event!

We took our educational meeting back on the road and hosted our last meeting at Ascension Providence Rochester Hospital. It was great getting back out and visiting health care facilities. Our next meeting in October will also be at a health care facility, see below and look out for future email blasts to register for this meeting.

ASHE is rolling out a Core Competency Framework which are diving in to how our facilities are becoming more complex. The framework charts out key skills of health care facilities management and offers education, resources and tools to help professionals fill knowledge gaps in each area. Here is the link to the Core Competency Framework: <https://www.ashe.org/core-competency-framework>. There are 8 categories to help facilities staff and managers to ensure patients and health care providers have a safe, comfortable and cost-efficient environment.

ASHE Elections have wrapped up and we want to say congratulations to SMSHE Member Mark Mochel, who is the new Advisory Board Associate Member Representative. Donald Page retained the Region 5 Advisory Board Representative, which covers our region.

Again, thank you very much for your support.

Your SMSHE President,
Daniel Martino
Corewell Health

Open Board Member Positions

- At Large Directors
 - Requirements:
 - Must be an active Professional Level Member (Employed within a Healthcare organization.) We are seeking **two** Professional Level Members, Secretary and Bylaws Chair.
 - Must be willing to assist other Board Members in their assignments.
 - Must be willing to attend regular Board meetings.
 - Must be willing to work in a team environment.
 - Must be willing to participate in an interview process.

To apply: Submit an email expressing your interest and your resume to Daniel Martino at Daniel.Martino@Corewellhealth.org

Membership Dues Structure

If you have not signed up for our SMSHE Membership, we encourage you to go to our website or talk with one of our Board members about the process. It is rather simple and can be done online. Please follow the link: [Membership | Southeastern Michigan Society for Healthcare Engineering \(smshehealthcare.org\)](http://Membership | Southeastern Michigan Society for Healthcare Engineering (smshehealthcare.org))

Professional: \$25.00

Associate: \$100.00

Retired/Regulatory

\$0.00

Educator/Student:

\$5.00

Call for Presentations

We are constantly looking for fresh material for presentations at our monthly educational meetings. If you have a code/compliance related presentation or you have developed proven best practices that push the leading edge of the profession, we want to hear from you! Presentations should be roughly 45-60 minutes long and must be generic as far as branding (NO COMMERCIALS!).

Contact [Liz Lyon](#) for more information.

Supporting SMSHE!

The SMSHE board needs your help! We're constantly looking for ways to improve the experience for our members, provide more meaningful content, and help our membership grow and develop in their career tracks.

We have several openings available to help the organization grow and serve better, reach out to us to get involved or for further information.

Interested in the position or learning more? Contact [Daniel Martino!](#)

Calendar of SMSHE Events

These events will be added to the website and promoted for registration just prior to each event.
